

glm::float\_distance

```
graph LR; A[glm::float_distance] --> B[glm::float_distance]; B --> C[glm::abs];
```

A flow diagram consisting of three rectangular boxes connected by blue arrows. The first box on the left is shaded gray and contains the text 'glm::float\_distance'. A blue arrow points from this box to a second, white box in the middle, which also contains 'glm::float\_distance'. Another blue arrow points from the middle box to a third, white box on the right, which contains 'glm::abs'. All boxes have a thin black border.

glm::float\_distance
