

Experimental extensions

GLM_GTX_orthonormalize

```
graph LR; A[GLM_GTX_orthonormalize] --> B[Experimental extensions]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'Experimental extensions'. The box on the right is gray with a black border and contains the text 'GLM_GTX_orthonormalize'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship from the GLM extension to the experimental extensions.
