

glm::mix

```
graph LR; A[glm::mix] --> B[glm::detail::compute_mix::call]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is gray and contains the text 'glm::mix'. The right box is white with a black border and contains the text 'glm::detail::compute_mix::call' on two lines. A blue arrow points from the right side of the gray box to the left side of the white box.

glm::detail::compute
_mix::call
