

Assimp::IOSystem

```
graph BT; A[Assimp::BlobIOSystem] --> B[Assimp::IOSystem];
```

The diagram illustrates a class inheritance relationship. At the bottom is a grey rectangular box labeled 'Assimp::BlobIOSystem'. At the top is a white rectangular box labeled 'Assimp::IOSystem'. Three blue arrows originate from the top edge of the 'Assimp::BlobIOSystem' box and point upwards towards the bottom edge of the 'Assimp::IOSystem' box, indicating that 'Assimp::BlobIOSystem' inherits from 'Assimp::IOSystem'.
