

Core features

Angle and Trigonometry  
Functions

```
graph LR; A[Angle and Trigonometry Functions] --> B[Core features]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Core features'. The box on the right is gray with a black border and contains the text 'Angle and Trigonometry Functions' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the functions to the core features.
