

Context::Mouse1_Pressed

```
graph LR; A[Context::Mouse1_Pressed] --> B[glfwGetMouseButton]
```

A diagram showing a call from a function to a library function. On the left, a gray rectangular box contains the text 'Context::Mouse1_Pressed'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'glfwGetMouseButton'. Both boxes have a thin black border.

glfwGetMouseButton
