

glm::fastExp2

```
graph LR; A[glm::fastExp2] --> B[glm::fastExp]
```

A diagram showing a mapping from `glm::fastExp2` to `glm::fastExp`. On the left, a gray rectangular box contains the text `glm::fastExp2`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text `glm::fastExp`. Both boxes have a thin black border.

glm::fastExp
