

Context::Q\_Pressed

```
graph LR; A[Context::Q_Pressed] --> B[glfwGetKey]
```

A diagram showing a call from a function to a library function. On the left, a gray rectangular box contains the text 'Context::Q\_Pressed'. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text 'glfwGetKey'. Both boxes have a thin black border.
