```
graph LR; A[GLM_GTC_reciprocal] --> B[Recommended extensions];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text "Recommended extensions". The box on the right is gray with a black border and contains the text "GLM_GTC_reciprocal". A black arrow points from the right box to the left box, indicating a relationship or dependency from the specific extension to the recommended extensions category.
