

Recommended extensions

GLM_GTC_color_space

```
graph RL; A[GLM_GTC_color_space] --> B[Recommended extensions];
```

A diagram consisting of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'Recommended extensions'. The box on the right is gray with a black border and contains the text 'GLM_GTC_color_space'. A black arrow points from the right box to the left box.
