

glm::fastAcos

```
graph LR; A[glm::fastAcos] --> B[glm::fastAcos]; B --> C[glm::fastAsin];
```

A flow diagram consisting of three rectangular boxes arranged horizontally. The first box on the left is filled with a dark gray color and contains the text 'glm::fastAcos'. A blue arrow points from the right side of this box to the left side of the second box. The second box in the middle is white with a black border and also contains the text 'glm::fastAcos'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box on the right is white with a black border and contains the text 'glm::fastAsin'.
